Giant City State Park Shelter Information

Giant City State Park has 5 shelters available for use, at various locations throughout the site. Each shelter may be reserved for a \$25 fee (nonrefundable) through www.Reserveamerica.com, on weekends and holidays. Each shelter offers a nearby privy, a family sized charcoal grill and picnic tables.

Other key amenities include:

- Shelter #1 – located at the north end of the park, along Stonefort Rd..
 - There is no electric or water available at this site.
 - Large, open air timber structure, comfortably accommodating 100 people.
 - Rock climbing and rappelling options are available at the adjacent Sandstone bluff.
- Shelter #2 – located along Giant City Lodge Rd..
 - Conveniently located near the Giant City Nature Trail and the Devil's Standtable Trail.
 - This is a CCC era stone and timber structure, with 2 fireplaces, which can accommodate up to 30 people.
 - A playground, electricity and potable water are available.
- Shelter #3 – located along Giant City Lodge Rd..
 - Conveniently located near the Giant City Nature Trail trailhead.
 - Large, open air timber structure, comfortably accommodating 100 people.
 - A playground, electricity and potable water are available.
- Shelter #4 – located at the intersection of Giant City Rd. and Church St..
 - Modern era, open air pavilion, capable of handling 40 people comfortably.
 - A playground and potable water are available, but no electricity.
- Shelter #5 – located at the intersection of Giant City Rd., and Giant City Lodge Rd..
 - Modern era, open air pavilion, capable of handling 40 people comfortably.
 - A playground and potable water are available, but no electricity.
 - Post Oak Trail may be accessed nearby, and a large green space, with a ballfield, is located nearby.
